

# Recycling

AT WPROMOTE

## What's Recyclable:

- Plastics marked #1 through #7 (look on the bottom - red plastic cups are #6, so they're ok)
- Newspaper
- Cardboard (corrugated boxes, cereal & cracker boxes, etc)
- Paper grocery bags
- Magazines, junk mail, stationery and envelopes (even window envelopes are ok)
- Glass bottles & jars (empty & rinsed)
- Aluminum/tin cans, foil, trays (again, rinse them out first)
- All plastic food containers marked #1 & #2
- Microwave food trays

## What's Not:

- Plastic wrap
- Plastic grocery bags
- Pizza boxes (because of the grease)
- All wax laminated cartons/containers (milk and juice cartons)
- Styrofoam (including disposable coffee cups)
- Frozen/microwave food boxes (trays are ok)
- Wax cereal/cracker box liners
- Paper towels, napkins, tissue paper
- Paper plates, soiled paper
- Aluminum foil boxes
- Fast food wrappers
- Food waste

Remember, if an item is covered in food, it is not recyclable. Food is one of the worst contaminants in the recycling process, and some estimates put the costs of irresponsible contamination in the neighborhood of \$700 million per year industry-wide\*. So please be sure to rinse out cups, cans, jars, etc before throwing them in the bin. Thank you!
