

Laundry Room Courtesy Hours and Rules

We ask that the laundry facilities be used during regular daytime hours. As a courtesy to the residents of the building in the surrounding areas, we are asking to keep the noise down. With unforeseen issues that may arise from the washers and dryers breaking down or becoming unstable, please launder your items **within the hours of 6am-10pm.**

******As a reminder, we ask that everyone be aware of their time on the machines and remove their clothes within a timely manner as others are wanting to use machines. Please clean up after yourselves of spilled soap, lint traps, and garbage. Machines Require liquid soap, No powders. If a machine needs service, call the number provided and also inform the office during business hours. Please do not leave unwanted items.***

Thank you for your understanding and courtesy for others.
